Special Instructions

**TERMS and CONDITIONS**

Vessels are slipped, moved and placed on the Hard Standing at the owners request and sole risk.  
 Vessels are to be navigated on and off the Sling-Lift Carrier by the owner or the owner's nominated representative.  
 Vessels using the Sling-Lift Carrier or the Hard Standing Area are to be comprehensively insured throughout.  
 Vessels owners are solely responsible for all activities by and behavior of their contractors and workers.  
 Vessels are lifted, moved and chocked at the sole discretion of the Hard Manager.  
 Only STMC personnel are permitted to move the stands and/or chocks whilst the vessel is on the Hard Standing.  
 Vessels will not be launched until all accounts are settled in full.  
 Vessels blocking the operation of the Sling-Lift Carrier without permission of the Hard Manager will be charged for the Standing Time as per the Published Rates.  
 STMC cannot be held liable for any delays caused by weather or mechanical breakdown of equipment  
 For matters relating to this slipping contract the owner's Domicilium Citandi et Executandi will be the address shown above.

I hereby acknowledge that I am aware of the current STMC charge rates, the Terms and Conditions as listed and I understand that the slipping and estimated hard standing charges are due and payable in advance.
